

# BERT | FRANK

Bert Frank are back for a 6th year at Decorex with their latest lights.

The latest additions to the Bert Frank collection use Art Deco influences and strong lines to create simple but bold pieces that add atmospheric illumination to any interior. Soft finish opal glass, Guatemala marble and reeded brass are introduced into this seasons offering, producing a luxurious mixture of finishes and textures.

Trave Pendant with Guatemala marble

## RIFT - NEW RANGE

Delight in the beautiful and satisfying simplicity of the Rift range. With a perfect balance of proportion between a striking brass globe and a larger opal glass globe, this piece of perfect equilibrium adds the finishing touch to any interior space.

Full Range: Pendant and Wall Light.

## TANTO - NEW RANGE

Slimline yet dynamic, the lights in the Tanto range draw from Deco styling with their combination of asymmetric brass rods and glowing opal glass cylindrical tubing. With the addition of either Green Guatemala or White Carrera marble they make quite the stylish statement.

Full Range: Small Wall Light and Large Wall Light.

Finishes:

White Carrera Marble  
Green Guatemala Marble

### Company Background

Drawing influence from the design codes of the 'mid-century' era but with a modern twist, Bert Frank's striking range of luxury lighting is designed and made exclusively in the UK. Founded in 2013, the British brand has quickly garnered a string of industry accolades including an Elle Decoration British Design Award in 2016.
