Dear Member,

The "Exposhopping" brand whose title holder is our Chamber and the UBM Company have made an agreement for some period in order to organize exhibitions on Maritime and Ship Construction. UBM will organize the EXPOMARITT ISTANBUL International Maritime Exhibition in Pendik Green Park Convention Center on March 21st - 24th, 2017 with its years of experience and expertise. The exhibition will take place following the tradition of EXPOSHIPPING which is the most long-established Maritime Exhibition in Turkey with the support of our Chamber.

We are very happy as Chamber of Shipping to support EXPOMARITT ISTANBUL International Maritime Exhibition, which is organized by UBM with the company's experience and knowledge in the industry over 10 years.

As the organization will bring together all the players in the industry, it will be possible to follow the latest developments in the maritime industry closely. The exhibition aims to carry the industry to higher levels. We'd like to remind that EXPOMARITT ISTANBUL is the only maritime and ship construction exhibition that our Chamber supports in Turkey and we expect you to attend and support EXPOMARITT International Maritime Exhibition.

Best Regards,

Murat TUNCER
Secretary General
